WHITE MATES IN TWO MOVES.

We were pleased, indeed, to receive lately a copy of the new volume of Chessmate, the publication of which journal has been suspended for many months. It is quite up to its former standard and gives promise of surpassing its former excellence. As this is the only chess magazine published on the American continent, we trust all lovers of chess will give it adequate support. Chess players in Honolulu cannot do better than send one dollar to Dr. J. H. Graham, Prescott, Ontario, for a year's subscription.

HACKMEN UNITE

The Honolulu Hackmen's Union was organized yesterday afternoon with a hundred charter members. The only thing that now remains is the adoption of a constitution and by-laws, the draft of which is expected soon from the San Francisco Union. The meeting was held at the home of Hackman Rooney and the following officers were elected: H. Rooney, past president; I. E. Harub, president; Thos. Quinn, vice-president; George Wells, treasurer; E. H. Paine, secretary; J. A. Rooney, sergeant-at-arms; H. Rooney, N. Spencer and J. McGuire, trustees. The first meeting of the organization will be held tomorrow afternoon at 4 o'clock probably at the hotel hack stand.

The hackmen who have banded themselves together for protection against the Asiatics, are from the following stands: "319" (Union street); "191" (Hotel Stables); "32" (Hotel Carriage Co.); "176" (Bethel street); "84" (King and Nuuanu); "290" (King and Fort); and "113" (Merchant street).

The first object of the organization is to secure legislation against the issuance of licenses to Asiatics and the second to give hack drivers redress against passengers who fail to comply with the regulations of the schedule cards.

On the recent trip of Bishop Rentrick to Hawaii he placed Rev. Walter Du Moulin, a young clergyman recently from the Mainland, in charge of the Episcopal chapel at Honolulu, Kona.

GUAM WAS SHAKEN

Washington, Oct. 6. — Acting Secretary Darling of the Navy Department received a cablegram today from Rear Admiral Welles of Cavite, P. I., transmitting the following message from Captain Schroeder, Naval Governor of the Island of Guam:

"Reported destructive earthquake (at Guam) September 22d. No Americans injured. Damage naval station estimated at \$23,000; (damage to) insular public buildings and bridges, \$22,000. Authority required to purchase necessary material for the island and to make necessary repairs."

Manila, Oct. 6. — The collier Austin, which has just arrived here from Guam, brings reports of a series of severe earthquakes there September 22d, as a result of which the marine barracks at Agaña and other buildings collapsed and much other damage was done. Two natives were killed. One hundred and eighty shocks were experienced in twenty-four hours. The population was terrorized and fled from the buildings and encamped outdoors.

The Austin will return to Guam with lumber and other materials for the rebuilding of the Government buildings.

MISS HAY MARRIED.

Newbury, N. H., Sept. 30.—Very quietly and in the presence of only relatives and closest friends, Miss Alice Hay, second daughter of Secretary of State John Hay, and James W. Wadsworth of Genesee, N. Y., were married today at The Fells, Lake Sunapee, the summer home of the bride's father. Although all arrangements for the event were made with the utmost privacy, the residents of this vicinity felt great interest in it, as it is by far the most important wedding that ever took place in this section. Few, however, among them received invitations. In fact, the number of guests was only thirty.

The ceremony took place at 2 o'clock. Rev. C. L. Hayden of Cleveland, who married Colonel and Mrs. Hay, performed the ceremony today.
